

# Bill of Divorcement

## SEXUAL RELATIONAL HEALING RETREAT

I decree this Bill of Divorcement based on the deceitful purpose of the other party in this union to steal my rights, kill my purpose and destroy my destiny.

Therefore, I \_\_\_\_\_,

as of November \_\_\_\_, 20\_\_\_\_, do sever all alliances, ties and associations with and to the kingdom of darkness. From this day forth my authority and power is revoked from all things associated with the kingdom of darkness. I am no longer in fellowship with the enemy of God and my destiny. I no longer reside in a place of darkness. I take back all power and authority given to these things in the past. I repent of all acts done in fellowship with darkness. I no longer choose death. I retain all control and power over all my future inheritance.

All my possessions shall be rendered back to me one hundredfold. I relinquish all claims to anything born of this unholy union. I will no longer be in agreement with the lies and deceit of the enemy. I will no longer give my strength and vigor to the foolish, nor will I embrace the bosom of the unwise. I will no longer give my wealth to the wicked nor my time to the unprofitable. I will not longer honor the dishonorable nor will I give place to unrighteousness.

This day I divorce myself from all things that grieve the heart of the  
Only True and Living God.
