

## *Apostle Dr. Shawnette A. Houghton*

When Palet, God as Deliverer refuses the release of a miracle, Chayah, The Breath of God, The Life of God infuses the release of a man ... a wo-man. It is the infinite and willful articulation of God to manifest the sovereignty of His covenantal love within earth as it is in heaven. From this love investment arises an apostolic quorum

constrained to bind up fester and canker, proclaim liberty to condemnation, and the opening of the prison to those engulfed, captive, and dispossessed. And amongst this great cloud of ambassadorial witnesses emerges a unique apocalyptic expression, namely Apostle Dr. Shawnette A. Houghton.

Howbeit from Attiq Yomin, the Ancient of Days unfurls the progressive yet timeless mandate of apostolic purpose manifested through ecclesiastical expression and promotion. Graced and anointed to holistically nurture humanity, Apostle Houghton, in ministerial matriculation has been duly confirmed, licensed, and ordained by spiritually vested and authentic men and women of God. Maturationally set under the weight of glory, spiritual territorial advancement was secured with her embrace of the mantle as the Pioneering Visionary and Apostolic Leader Servant for Labourers for Christ Word Life Center and Labourers for Christ Ministries. Moreover this alabastered vessel was publicly coronated into the grace and office of Apostle through the impartation and global investment of apostolic succession. The Right Reverend Monsignor William O'Donnell, Archbishop Dr. Jacob Agepog, and Bishop Isaac D. Harris in tandem with the apostolic echelon were set to ensure the universal confirmation and validity of her God imbued apostolic grace.

According to Pleroma, the named identity of God which declares His mention as More Than Fullness, she postured herself in prostrate obedience to discipline herself pedagogically in measure to the pneumatic and ecclesiastical grace upon her life. To this end several degrees have been conferred upon Apostle Houghton: Doctorate of Practical Theology, Doctorate of Theology in Christian Education, Masters of Arts in Biblical Studies, and Bachelor of Education and Allied Profession. Philotimeomai scripted in I Thess. 4:11 most befittingly asserts her educational motivation and sentiment, 'there is value and honor in labouring to know.'

Osculum Patris Filii, The Kiss of the Father and the Son, has indeed set His immutably compassionate love upon sexual and relational infirmity through the ministry complexion of Apostle Shawnette Houghton. Singularly, I am a servant to the destiny of God's people; my ceiling is their floor. My greatest pant is for the restoration of brokenness; though principally my bowel yearns for restoration of the Broken Leader as I too once lay broken. I am but a conduit to the mercy, love, and grace of God, a drink offering sent to pour and revive with only that which He pours within. *"And I will very gladly spend and be spent for you; though the more abundantly I love you, the less I be loved"* (II Cor. 12:15). Graciously our fragrant adoration and acclaim ascends before the Father for His vibrant treasure in this earthen vessel.
